

RULES DISCUSSED AT THE ANNUAL MEETING IN JULY. COMPLETE RULES WILL BE ADDED SOON.

- Sign up a new member and be entered into a drawing to win \$250 at next year's BBQ Tournament. You will receive one entry for each new member you recruit to join.

- Please note, personal checks will be accepted for entry fees into our tournaments. If you cash in the tournament and your prize money is sufficient enough to cover your check, you will be expected to buy your check back. Checks returned for insufficient funds will incur a \$25 fee and be given 5 days to re-clear. The second time a check is returned, your check writing privileges will be permanently revoked.

- For tournaments, the following rules will be in effect and enforced:
 - Practice starts at 9:15am sharp
 - Scoring starts at 9:30am sharp
 - Phone-in and mail-in entries will be \$40 for each tournament
 - Walk-in entries will be \$45 and are subject to lane availability
 - The last place payout will be equal to the prize fund portion of the entry fee, which is \$25 of the \$40 entry fee.

- We will try to run a singles event in conjunction with the doubles and three-man tournaments. There will be a \$25 entry fee, of which \$5 goes to the scholarship fund.

- There is another change for the doubles and three-man events. You may now compete with the same partner(s) in both shifts, but you may only cash once in the tournament. You may cash more than once with a separate partner. We are hoping these changes will increase tournament entries.

- Our annual meeting went very well and we came out of it with many ideas to increase membership. Thanks again to those of you who attended, and we look forward to seeing all of you in upcoming events!

The 700 Club would like to welcome the new officers for the 2011-2012 bowling season.

TOURNAMENT RULES FOR 2010-2011 BOWLING SEASON

ADOPTED JULY 31,2007 – AMENDED JULY 25, 2010

At all Club sponsored bowling events, the Club's Board of Directors, participating in the event, will constitute the "Rules Committee" for each event. Any contradictions to the rules set forth herein shall be adjusted by the "Rules Committee".

The Dress Code specified in Sections 1 and 2, ARTICLE X of the Club's BY-LAWS is to be followed by all members participating in a Club sponsored event. They are as follows:

Any active member participating in any Club sponsored bowling event must wear the Club's Bowling Shirt and clean trousers or they will not be allowed to participate. Blue jeans are acceptable. Shorts, sweat pants, jogging or exercise pants and/or the wearing of hats for indoor events is not acceptable. Newly accepted members into the Club will be allowed a one event grace period. Should the Club be unable to furnish the Club Shirt within this time frame, the Board may extend the grace period.

ALL TOURNAMENTS SHALL BE SANCTIONED BY THE UNITED STATES BOWLING CONGRESS. WITH THE FOLLOWING EXCEPTIONS, ANY RULES NOT COVERED BY THE CLUB'S TOURNAMENT RULES SHALL BE GOVERNED BY THE 2006-2007 UNITED STATES BOWLING CONGRESS RULES. ALL PARTICIPANTS MUST HAVE A CURRENT USBC CARD OR MAKE APPLICATION, WITH PAYMENT, PRIOR TO BEING ALLOWED TO PARTICIPATE IN ANY TOURNAMENT.

1. USBC Rule 312a does not apply. Pre-paid reservations are to be received by the Club Secretary no later than 6:00 PM on the Thursday preceding the Sunday Tournament. Bowlers are to refer to their membership cards and Club News letters for dates of tournaments.
2. USBC Rule 319a does not apply. In its place the following shall be used:
 - A. Bowlers shall use their previous year's Metro East Men's 700 Bowling Club's tournament average from the Club's schedule of events for determining the amount

of handicap they are to receive in their first tournament of the Club's new schedule. The tournament average must have been established by bowling in a minimum of 3 tournaments during the previous year. After a bowler has completed 3 tournaments in the new year, the new tournament average will be used to determine their handicap. The Club's Secretary shall maintain the necessary records to validate a bowler's Tournament Average.

- B. Bowlers without a TOURNAMENT AVERAGE from the previous year shall use the highest USBC Book average from the preceding year (with 21 or more games) for purposes of determining the amount of handicap until a bowler attains a TOURNAMENT AVERAGE. Bowlers without a previous year USBC book average may use a verifiable current USBC league average of 21 games or more until the bowler attains a TOURNAMENT AVERAGE, then the tournament average will be used.
 - C. A TOURNAMENT AVERAGE shall be established in the following manner. The first three tournaments a member bowls in shall be used to establish a tournament average. Bowling two shifts in a Doubles or 3 Man Team tournaments does not satisfy the requirement for bowling in three tournaments. Three separate tournaments must be bowled to establish Tournament Average. If a member bowls in more than one shift of a tournament, ALL scores of the shift will be used for purposes of calculating the Tournament Average.
3. USBC Rule 319b is amended to readIf a bowler does not have a Tournament Average or verifiable USBC Book Average for the previous year, the previous highest verifiable average may be used. Absent this provision, the bowler must bowl scratch.
 4. USBC Rule 319c applies. Bowler's averages may be re-rated.
 5. Bowlers entering a tournament without a tournament average and desiring to use their highest average based upon a SPORT BOWLING LEAGUE AVERAGE will have their averages re-rated in accordance with RULE 205.
 6. USBC Rules 319d and 319e are waived.
 7. For all Club handicap bowling events, the handicap for the Regular Schedule will be based upon 75% percent of the difference in average and 225. For Senior Events the handicap will be based upon 75% percent of the difference in average and 225, plus a handicap of one (1) pin per game for each year over 55 as long as the Senior Bowler does not have a Final 700 Club Tournament Average or USBC Sanctioned League average over 225 from the previous year. The amount of handicap is limited to 41 pins per game for each division except for the extra handicap pins provided to Senior bowlers over the age of 55. Otherwise, bowlers may not use lower than a 190 average for the Regular Schedule and 170 for the Seniors Division. A bowlers average can not drop more than 10 pins from tournament to tournament during the

bowling seasons.

8. A bowler must be present and ready to bowl at the appointed starting times for each tournament. Once all bowlers on the pair of lanes have completed their first frame of bowling, a late bowler may not start the game or participate in the tournament. Late Bowlers who have pre-paid their entry fees and are late for the first shift may bowl the second shift or forfeit their entry fee.
9. A bowler cashing in any portion of a tournament may be required to show proof of a current USBC membership.
